MANFEILD?**

SPONSORSHIP PACKAGE

Manfeild is a truly unique venue

considered to be one of New Zealand's most diverse event centres, we have a flexible range of facilities that can be tailored to our client's needs, including: a motor racing circuit, multi-purpose stadium, extensive grassed areas, meeting and conference rooms.

Our motor racing circuit has various configurations: the 3km Circuit Chris Amon, the 1.5km driver training track, or the entire 4.5km circuit. We are the home to the New Zealand Grand Prix which is a prestigious annual event on the New Zealand Motorsport calendar. The Circuit is also home to the Central Districts Field Days.

The centrepiece of Manfeild stands tall, and not just in its immediate environment. At 7750 square metres in size, this landmark single-span building is the largest and most modern sports and entertainment venue of its kind in the lower North Island. The stadium is ideal for a variety of events including agricultural, animal sales, trade exhibitions, garden shows, car shows and much more.

With an impressive range of other facilities throughout the venue including pitlane and stadium suites, an outdoor equestrian arena, vast open green spaces supported by extensive garaging, stabling and yarding, Manfeild really is the venue for everyone.
